

The world would be a better
place if...

Gabriela
Palmeo
11th grade
Gabrielo HS

Let's turn back the hands of time
Let's go back
Back to the beginning
Back before the confusion of tongues
Before hate
Before prejudice
Before misplaced fear
When every word, every idea, wrapped around the soul
And mind with understanding
When people genuinely cared for all people
When ridicule, judgment, callous ignorance was absent from society
Stop
Such a time has never existed
History in every era and from all over the world has had and will continue to have
Dark times
Blemishes in a nation's history
Imperfection is a part of human nature
But rather than dwell on and magnify our differences and mistakes
Let us learn from one another
Let us learn to not just hear, but to listen to the words that are being spoken
Let us learn to climb over barriers
Let us learn to communicate
Let us move forward
Forward, progress, and change for the good
Let us take tolerance beyond to a more divine understanding and acceptance
Let us move towards a brighter future
Let's make the world a better place
