Additional Information

The Covid-19 pandemic changed everything overnight for the Class of '20 around the world. Even though traditional graduation & commencement activities that would allow to celebrate our students achievements have been altered, the POGO-20 team of SG wants to SAFELY provide a way to celebrate together.

FAQ:

Can I decorate my car? Yes, please show your graduate some love with car decorations. Decorations must be complete before you arrive. You're not allowed to exit your car to mount something on the roof. Please keep in mind you have to drive to the event & make sure your decorations allow for safe driving.

Why is there a \$10 fee? The fee & donations will be used to offset the cost of the event (Mission playhouse staff, decorations etc)

Will the Mission Playhouse be open? NO. Bathrooms will not be available. We strongly encourage you to plan ahead and use your home facilities before arrival.

Will the graduate be recognized individually? Yes, we will call the names of each participant and acknowledge them, but they will not walk across a stage
